

SWIMMING POOLS REGULATION

Art. 1

Wash your feet in the disinfectant pool before entering.

Art. 2

Take a shower before entering the pool. Wash thoroughly if sun-tan creams or oils have been used.

Art. 3

Bathing caps must be worn in every pool.

Art. 4

Minors up to the age of eleven must be accompanied by their parents or an adult.

Art. 5

Foot-balls, air-beds, rackets and tambourines are forbidden, as well as anything alike that could disturb or upset the other guests. Flippers and diving masks are forbidden.

Art. 6

Wallets, purses and other valuables will not be looked after. No responsibility will be taken for lost items of any kind.

Art. 7

It is strictly forbidden to enter any of the pools, if you have open wounds, skin diseases or abrasions.

Art. 8

It is forbidden to enter if lifeguards are temporarily absent.

Art. 9

Do not run or push other persons whilst the edges of the pools.

Art. 10

Smokers are requested to use the ash-trays and not to throw or put out cigarettes on the floor. Bathers are kindly requested to keep the area clean and make use of the waste- bins.

Art. 11

The management is not responsible for accidents occurring to persons or things, when caused by the guest negligence or non-observance of the above given regulations.

Art. 12

Verbal orders given by the pool staff (swimming attendant and/or security service) must be observed.

Art. 13

It's forbidden to have non-civil behavior. The personnel is authorized by the Management to remove unwelcome subjects if they perceive behaviors that are not suitable for the safety of the subject and that of the other visitors. The staff, within the scope of their duties, is required to supervise the observance of the rules of this regulation by vacationers.

Art.14

Personnel may temporarily suspend the entry of bathers in the following cases:

- Crowding of the pool that could compromise user safety;
- Urgent need to perform operations to restore the functionality and safety of swimming pools and facilities;
- Situations of emergency from which danger may derive even only potential for the safety of users.

Guests are obliged to wear ON THE WRIST the Village's identification bracelet to access the swimming pools implant.

The Management
