

# REGULATION SEASON 2022

**Art. 1** Guests, upon arrival, are requested to hand over their documents and any coupons for registration.

**Art. 2** It is strictly forbidden to extend invitations and host, even temporarily, people who have not been previously registered by the Management. Daily visitors are allowed to enter, not to overnight, with entrance before 10.00 p.m. and with exit expected before 11.30 p.m. Minors can stay in the camping village only with their parents or allowed caregiver adults. Bracelets are personal passes and guests are not allowed to give them to third parties. The Management reserves the right, at its sole discretion, not to accept unwanted guests or guests in excess. It is forbidden for strangers to enter. Unregistered and unauthorised persons caught within the camping village will be reported to the authorities for trespassing (Art. 614 CP).

**Art. 3** It is compulsory to park tents, caravans or campervans on the pitches so that their veranda faces the road. It is possible to park only one tent, caravan or campervan with the car in each pitch. Different arrangements must be expressly authorised by the Management.

**Art. 4** Guests must clearly display their number of tents, caravan or campervan, received at their arrival at the front office. It is compulsory to return this number at the cash desk. Accounting operations must be carried out at least one day before departure. Extra camping guests, who overnight in a pitch with their already registered friends and relatives, are required to pay for their stay by 6.30 p.m. before the day of departure, while still minding at the opening and closing hours of the cash desk.

**Art. 5** All cash operations may be carried out from 8.30 a.m. to noon and from 4.30 p.m. to 6.30 p.m. Our cash desk accepts national cheques only if they have been deposited at least three bank days before departure.

**Art. 6** Guests of the Camping area are obliged to leave the camp by 1.00 p.m. Guests of the Village area must vacate the houses by 9.00 a.m. on the day of departure. After these times guests will be required to pay an additional daily fee.

**Art. 7** Guests are requested, from 2.00 p.m. to 4.00 p.m. and from midnight to 7:00 a.m., to comply with the silence time by avoiding all noises that may prevent other guests from sleeping and resting. However, during the rest of the day, a normal quiet must be maintained. During the silence time, it is forbidden to drive any vehicle and children cannot access the playground or use bicycles. It is always compulsory to drive cars and bicycles at a walking pace. Silence time is suspended on Saturday and Sunday limited to cars. Direction reserves the right to modify and/or suspend the silence time.

**Art. 8** The entrance gate is closed from midnight to 7.00 a.m. The barriers at the entrance of the structure are closed to vehicles from 2.00 p.m. to 4.00 p.m. and from midnight to 7.00 a.m. During these times, any authorisation to enter or to exit must be issued by the Management. The three beach gates are closed from 10.00 p.m. to 7.00 a.m., except the first beach gate (the northernmost one) which will be closed at midnight.

**Art. 9** It is strictly forbidden to damage plants and equipment, to dig around tents, caravans or campers and hang ropes to trees and plants, also laundry ropes. For seasonal and semi-seasonal guests, the installation of tarpaulins (for ground or roofing) and metal scaffolding above caravans and verandas must be carried out according to what is established in the contract. It is mandatory to keep your pitch clean and leave the toilets clean after use.

**Art. 10** Separate waste must be deposited in closed bags and in the relative containers, at our eco-island, during its opening hours. Bulky waste material such as mattresses, nets, appliances, furniture, which is no longer used, is considered bulky or special waste and can not be left in the pitch or near the bins. The guest must dispose of the waste according to the procedures provided for by the law.

**Art. 11** Management is not liable in any case for damage caused by natural disasters, the use of sports equipment and various games and the use of the external parking area. Management is not liable in any case for damages resulting from accidental or unpredictable events or force majeure. Damage caused by the use of equipment belonging to the camping village is not refundable and the Management is exempt from any liability in relation to them. Participation in any single sporting activity, whether playful or potentially dangerous and damage or injury resulting from it to property or persons are the sole responsibility of the participant, who accepts the risks personally. The participant exempts the Management of the camping village, Abruzzi Socialtourist S.p.A. and its Legal Representative from any liability. Each guest is requested to keep objects and things of his property. The Management declines all responsibility for any theft or damage inside the camping village, in the beach (its own national license) and in the external parking area. Children must always be accompanied while they use equipment, playground and services (swimming pools are included). They must be supervised by their parents who are directly responsible for them. Management declines all responsibility for this.

**Art. 12** Obscene acts or acts which are contrary to public morals are forbidden.

**Art. 13** Suspensions of the supply of water, electricity or gas resulting from interruptions by the Authority, breakdowns, failures or maintenance will not give the right to request any compensation or refund.

**Art. 14** Cookware, dishes and linen must be washed in their respective sinks with moderate use of water. It is obligatory to use the appropriate emptying troughs to remove the contents of the chemical toilet of campervans or caravans. It is compulsory to use the suitable chemical sink in order to empty the chemical toilet of camper and caravan, with observation of the displayed hours.

**Art. 15** Pets are not allowed

**Art. 16 Regulation - Fire Prevention Section is an integral part of the present general Regulation.** The Fire-fighting Section regulates the prescriptions for the use of electrical energy, the use of gas cylinders, the lighting of fires, the phase of installation and occupation of the pitch, behaviour in case of fire and emergency.

**Art. 17** This Regulation may be modified or supplemented separately by rules considered appropriate for the better functioning of the camping village.

**Art. 18** Guests are required to pay the tourist tax, on the basis of the regulation approved by Tortoreto's municipality.

**Art. 19** Guests who contravene these regulations must leave the camping village.

**Art. 20** The Court of Teramo is the place of jurisdiction for disputes.

**It is mandatory to wear ON THE WRIST the identification bracelet**

# REGULATION - Fire Prevention Section 2022

## RULES FOR ELECTRICITY USE

The use of electricity is limited to lighting and to make small refrigerator work.

The use of household appliances is strictly forbidden. Electrical cables, as well as the used sockets, must comply with EEC regulations. The guest must comply with the technical rules for the use of electricity listed below:

It is mandatory to use cables and electrical devices that comply with the standards. In particular, the cables must be of the outdoor type with a maximum length of 25 ml and a minimum section of 2.5 mmq (for voltages not exceeding 16A). Joints, post branches and anything else that does not guarantee protection from contacts are forbidden. The plugs must comply with CEI regulations.

It is forbidden to carry out operations on the electricity distribution column. If necessary, contact the Management.

It is compulsory to use only one socket of the column, numbered in the same way as the pitch, for the supply of electricity. Otherwise, the Management reserves the right to disconnect unauthorised outlets without prior notice. This is the case for the TV antenna socket, where applicable. It is forbidden to install (on metal supports, on plants above houses) antennas of any kind for the radio-television reception.

## RULES FOR GAS CYLINDERS USE

The gas cylinders owned by the campers must comply with the law and must be used and stored correctly. The guest must follow the procedures listed below for the correct use of gas cylinders:

- 1) Before using a gas cylinder it is necessary to secure it to a solid support, with chains or other effective stop means. Once it is secured, the protective cap on the valve can be removed.
- 2) Only gas cylinders with a maximum weight of 10 kg can be used.
- 3) The gas cylinder must never be placed where it could become part of an electrical circuit.
- 4) The cylinder must never be heated above 50°C. It is absolutely forbidden to turn the cylinder on with open flames in direct contact with it.
- 5) The cylinder must be stored in such a way as to prevent tampering.
- 6) The user must not change, modify, tamper with or plug any safety devices that may be present, nor in the event of gas leaks, carry out repairs to full containers and valves.
- 7) The cylinder valve must always be kept closed, except when the cylinder is in use.
- 8) The valve must be opened gradually and slowly. Never use wrenches or other tools to open or close valves with handwheels, which could be hard to open due to corrosion.
- 9) Lubrication of the valves is not necessary. It is absolutely forbidden to use oil, grease or other combustible lubricants on them.
- 10) Before returning an empty cylinder, the user must make sure that the valve is tightly closed, then screw any blind stopper onto the valve nozzle and finally replace the protective cap.

- 11) Camping gas stoves cannot be used for lighting.

## RULES FOR FIRE LIGHTING

It is forbidden to light fires in the field or on the beach..

Open flames may only be used for cooking in the barbecue areas provided for this purpose. It is mandatory to monitor the fire and extinguish it before leaving at the end of use. It is forbidden to light any other type of fire and to use candles.

## RULES FOR ARRANGEMENT IN THE PITCH

It is absolutely forbidden to tie tarpaulins to trees and fence your area in whole or in part with any material. For safety reasons, the kitchens separated from the veranda must be installed inside the pitch area, facing the road.

## RULES IN CASE OF FIRE AND EMERGENCY

In case of fire, immediately contact number **380-5832466** or go to the front office to inform the staff. Attached to these regulations is a simplified plan of the camping village with an indication of the escape routes in case of emergency and evacuation. In case of emergency and evacuation follow the instructions of the camping village staff. A plan of the camping village is available in the front office for consultations.
